This will be the 5th year that we will be hosting a US Youth Soccer ODP Sub Regional Event. The purpose for this event is to provide an opportunity for the ODP Players to be trained and evaluated by the Region IV ODP staff. The training can offer a significant advantage to those participating in ODP, and an additional opportunity for those who wish to be invited to Regional Pool Camp for this summer.

Event Format: (Commuter Event)

In order to keep the cost very minimal we run this event in the very same fashion as a "Club Team" event. We will not be housing, feeding, administrating or transporting the players for this event (just like state try-outs). It will be the responsibility of the parents to make sure the players show up and are picked up to and from each session in a timely manner. You will be provided with the daily schedule for Saturday and Sunday (6/3 and 6/4) in advance so you can plan accordingly. The format for the weekend will be a "Scramble team" format (scramble teams will be age pure). The players will participate on the same scramble team all weekend. The schedule will include Classroom Sessions, training with Regional Staff and Games. We should have the daily schedule ready by May 22nd. (Cal North, or the RIV Staff have the right to alter the format at any time, or for specific needs.)

Accommodations:

For those of you needing accommodations for the weekend, I have included the link to a list of Hotels near the Cherry Island Soccer Complex.
